*Business Precinct*

market  
QUARTER

You are invited to the official unveiling of our

*2025 Lunar New Year  
Art Installation*

*~ The Year of the Wood Snake ~  
10am, Friday 7<sup>th</sup> February*

At the Grote Street entrance to Chinatown (Moonta Street).

The Year of the Wood Snake marks the mid-point in the  
12-year Chinese Zodiac.

As wood is associated with both trees and fire, this year's snake  
is said to possess qualities characteristic of both, such as  
growth and tolerance plus passion and brightness.

Join us and take a selfie to bring good fortune!
